Dear Commissioner:

The USPTO issued an office action dated September 13, 2002 in respect to the above entitled application. Applicant responds as follows:

In the claims:

Claim 1 (seventh amendment). I claim an improved  
access system for multiple television programs delivered in  
compressed form on one or more delivery channels,

said access system including at least one of the  
multiple programs being delivered without a user's specific  
request,

at least one of said multiple programs including at  
least some substantive displayable information that may be
